Always up to par!

This annual is proudly dedicated to our fine office staff- Don Hoagland, Dan Alcaarez, Cathy Shea, and Jim Dawson. Their efforts provide "harmony" within our school.

We've got it all together now!

You know, I liked you better as a frog.

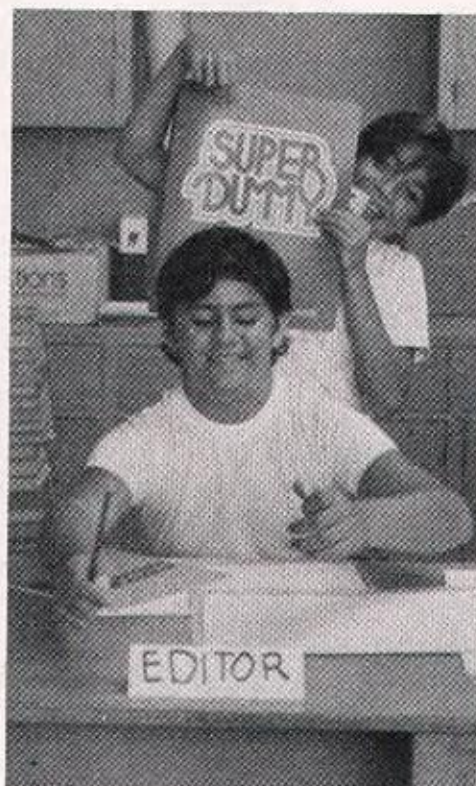

Send in the relief quarterback!

The Journey

Out there
in sometime
someplace
There is a man on a long, forever journey
he is searching . . .
There is no reason for his searching so
He wanders, and he keeps on
walking and wondering, and wondering
This is
HIS

past

The past is made of wagons and trains,
And families who drove them across the plains,
And those are the people who settled the West,
And died a little after they had done their best.

present

The present is made up of cars and planes,
And people who drive them must get some pain
They drive them either east or west,
And they can get but little rest.

future

The future is made up of lasers and beams,
And neat little space suits without any seams,
Shooting stars and rocket cars,
Going back from Earth to Mars.
